 fruits' notes.

Well-balanced on the palate
 with a mineral framework.

Powerful winter
 Mixed spring
 Warm and sunny summer

Tense, elegant and
 straightforward finish.

September 19th-27th

Roasted langoustine

2012 MILLESIME CHRONICLE

The harvest began on September 19th. A severe cold snap in February and then many climatic hazards in spring left us expect the worst... Fortunately, from mid-July until the harvest, we experienced some beautiful summer weather. The Chardonnays benefited greatly from this and proved to be of a rare quality. Our "AMOUR 2012" has beautiful volumes with a long salty finish.
